

**The Barbara J. Harvill
Botanical Research Fund
for Floristic Research in Virginia**

Small research grants for floristic field work in Virginia and/or travel to herbaria are available to botanists without an institutional base of support for such work. This fund was endowed by friends and family of the late Barbara J. Harvill to encourage floristic and revisional work in the state. Most of the awards requested to date have been for mileage costs related to field work, but other expenses, such as lodging and certain kinds of field equipment (plant presses, for example) can also be covered.
